

This month's event will be held at the offices of Whitman Requardt located at 801 S. Caroline Street, Baltimore MD 21231

Off-street parking located just next door.

Please RSVP to Stephanie Massey at smassey@cummins-wagner.com

Network with women in the built environment

Enjoy refreshments with your peers and mentors

Get advice from women who are leaders in the industry and community

Learn about barriers to career development and how to avoid them

**JUNE 1ST
6-8PM**

Featured Speaker: Stacie Gregory, PhD

Stacie is a Post-doctoral Fellow at the American Association of University Women (AAUW) who has done research on stereotyping threat and how it can be a barrier to success. Join us for a brief presentation followed by a

discussion on reasons women are leaving engineering, what can be done to reduce stereotyping and how to affirm leadership.
